

## Main Street Pub & Steakhouse In Gainesville, Texas

Unique opportunity for an Executive Chef/General Manager to be a part of the development of a ranch-to-table steakhouse. This steakhouse will showcase the owner's exceptional and distinctive grass-fed pastured beef locally bred on a Red River ranch in Gainesville, Texas. The person in this position will assist in the complete remodeling, expansion and re-opening of a 22-year-old pub and steakhouse in the historic downtown Gainesville Square.

This is an excellent opportunity for the right person to become part of a small town Texas community.

Title: Executive Chef/General Manager

Responsibilities include:

- Planning and directing food preparation and culinary activities
- Instrumental in developing menus and creating new ones that meet quality standards
- Developing and maintaining recipe book
- Estimating food requirements and food/labor costs
- Directing all food purchases
- Arranging for equipment purchases and repairs
- Recruiting and managing kitchen and restaurant staff
- Rectifying problems or complaints
- Overseeing plate presentation
- Performing administrative duties
- Complying with nutrition and sanitation regulations and safety standards
- Reviewing time and payroll records

- Maintaining a positive and professional approach with coworkers and customers
- Working with cattle manager and butcher shop to ensure a consistent flow of product
- Assisting in developing catering and food truck activities
- Developing positive relationships with local community

### Requirements include:

- Proven work experience as a head chef and front of the house management
- Excellent record of kitchen management
- Ability to spot and resolve problems efficiently
- Capable of delegating multiple tasks
- Communication and leadership skills
- Keeping up with cooking trends and best practices
- Working knowledge of various computer software programs (MS Office, restaurant management software, POS)
- BS degree in culinary science or related certificate or work experience commensurate with educational requirements.
