

Chapter Meeting Quick Fire Challenge

Passing Pipe Dream

Basic Premise

Teams of 3 to 5 will form a single file line. The Team will have 9 to 15 minutes (depending on number of competitors) to pipe the person's behind them name on to a piece of parchment. They will then pass the piping bag to the next contestant in line. The next team member repeats the process by piping the person's name behind them, directly below the one that was just written. The team with the best penmanship and accuracy of spelling wins.

Needed Items

- Work station
- One sheet of parchment paper per team
- Pre-filled pastry bag with a colored simple butter cream fitted with small round tip for writing
