

Chapter Meeting Quick Fire Challenge

Taste of Consistency

Basic Premise

The Director of the Chapter will make a selected recipe of his/her choice. Recipe must be easy enough to complete in 30 to 45 minutes yet complicated in taste and flavor to offer a challenge. Each individual or team will receive one full portion to taste and utilize in their challenge.

Individuals or teams will cook against each other for up to 1 hour to see who can recreate the dish utilizing a basket of the recipe ingredients. Contestants will not be given the recipe or measurements. The individual or team that comes closest to recreating the directors recipe in taste, consistency, and presentation wins.

Consideration—give extra time past the preparation and cooking time of the recipe for individual or team to full investigate the dish they are to recreate (15 minutes)
