

Chapter Meeting Quick Fire Challenge

Top Dog

Basic Premise

Set individuals or teams against each other to see who can create the most inventive hot dog in 20 minutes. Contestants are given hot dogs and buns (*this can be a variety of hot dogs and/or buns*) and must make unique toppings from a mystery basket or ingredients. Each individual or team will produce at least one hot dog for tasting and one hot dog for show. Top Dog Wins

A secondary challenge will be for two or three different types of hot dogs per individual or team.

This challenge can be expanded into a social if the contestants are challenged to produce as many hot dogs needed to feed the attending members.
