

Position Requested: Sous Chef

Colonial Country Club, a private 1,400-member family country club, located in beautiful Fort Worth, Texas is searching for a Sous Chef. This position is responsible for the daily operations of the culinary department including staff, requisitioning, three kitchens (one seasonal) and stewarding. This position reports directly to the Executive Chef and participates as a member of a strong management team. The position demands a strong work ethic, creativity on a daily basis, excellent organization and communication skills, and the ability to consistently maintain the highest culinary standards.

Qualifications:

Candidate must have a minimum of two (2) years managerial and supervisory experience preferably in fine dining or upscale business establishments. Previous club experience is preferred but not required. This individual must have a passion for food, a professional appearance and be highly motivated. Candidate must be able to interact with the membership and the entire management team to assure that implementation of food service meets the high expectations of our members. Candidate needs proven record of strong operational management skills. Candidate must have prior experience standardizing recipes, plate-up instructions, inventory, production and costing.

Education:

Preferred candidates will have obtained a culinary associate degree/certification, have completed an equivalent culinary apprenticeship program, or have equivalent work history.

Compensation/Benefits:

Salary is commensurate with experience. The standard benefits package applies in addition to continued training and education allowance.

Position Available: Immediately

Additional Club information:

Colonial Country Club is a traditional 83-year old, private and family-oriented club with over 1,400 member families, located three miles from the heart of downtown Fort Worth. The Club offers a legendary golf experience in addition to hosting an annual PGA event each May. There is an active tennis membership with 10 outdoor courts and three indoor courts. Summers are busy when the pool opens (Memorial Day Weekend through Labor Day Weekend). Multiple dining facilities offer varying meal periods with a range of cuisine styles. Annual Food and Beverage revenues approximate \$4.2 million. The Club is open year-round, six days a week.
